Dear Prospective Parents:

Emanuel's Lutheran Church and Day School is blessed that you are considering Emanuel's Day School as a safe, nurturing child development center embedded in a faith-based tradition for your child. Our long history of education in Seguin has provided a strong foundation for generations of children since its beginnings as a kindergarten and first grade in 1949 and now as an Infant, Pre-Kindergarten, and Toddler program.

Our Pre-K3, Pre-K4 and Transitional Kindergarten curricula were selected to prepare children for kindergarten with a focus including reading, writing, and mathematics skills, in addition to motor skills and social/emotional development. Our Toddler program follows a curriculum with instruction in sensory and motor skills, vocabulary, shapes, colors, numbers, and letter recognition. Emanuel's Lutheran Church Pastor and Music Director conduct Chapel weekly in addition to our classroom learning.
